A sleeper sofa for all of life's activities

FLOTTEBO sleeper sofa is designed to be just as flexible as it is comfortable. The removable back cushions make the sofa just as good for relaxing as for sleeping on. The large storage space under the seat has plenty of room for all the things you want to hide away, yet still have close at hand. So sit back and watch a movie or chat with your best friend. Send a message or take a nap. FLOTTEBO sleeper sofa is for all of life's activities.

Always comfortable

FLOTTEBO sleeper sofa is comfortable regardless if you want to sit, lean back or lie down. You always get support in the right places from the individually encapsulated pocket springs that move independently and follow your body. The loose back cushions also make it easy to adjust the seat depth and the back support. All you need to do to transform the sofa into a spacious bed is to remove the cushions. Quick, easy - and comfortable!
