

## BUYING GUIDE

# HAVSTA

## Storage series

### CARE

Wood: Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

Glass: Wipe clean with a cloth dampened in water or window-cleaner. Wipe dry with a clean cloth.

### GOOD TO KNOW

You can convert any stackable unit into a standalone by adding the base in the compatible size (sold separately) or mount a stackable unit on a 18½" deep cabinet to create a vertical combination.

Two people are needed for assembly of this furniture.

### SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, it will only into small pieces, never into sharp fragments.

To prevent a vertical combination from tipping over, stackable units which are 13¾" deep must always be mounted on 18½" deep cabinets.

For safety reasons, HAVSTA units are not to be hung on a wall.

### Numerous possibilities and combinations

Truly versatile HAVSTA series in solid wood gives you a number of possibilities and combinations in different sizes – and with different features and looks depending on your living space, needs and taste.

### All the features you need

Display the items you are proud of behind the glass doors or in shelving units and hide other things in the closed cabinets. Combine with a TV bench that keeps cables hidden, and why not to complete the look with one or more matching coffee tables?

### Flexibility

Choose standalones or go for one of the many combinations. Add units over time or rearrange the entire combination to adapt to your changing needs – regardless if it's your family or souvenir collection that grows.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting [IKEA-USA.com/stockavailability](http://IKEA-USA.com/stockavailability). For more detailed product information, see the price tag or visit [IKEA-USA.com](http://IKEA-USA.com). All products shown require assembly. All textiles shown are imported.

**Haven't found what you were looking for?**

You can also design your own HAVSTA combination or customize an existing one by simply adding or removing units. To create your own vertical combination, please refer to the guidelines on the next page.

# HOW TO BUILD A VERTICAL COMBINATION

## Haven't found what you were looking for?

You can also design your own HAVSTA combination or customize an existing one by simply adding or removing units. To create your own vertical combination, please refer to this guideline.

### 31 $\frac{7}{8}$ " wide combination

Step 1. Select 18 $\frac{1}{2}$ " deep cabinet.

Step 2. Combine it with one of three different 13 $\frac{3}{4}$ " deep stackable units.

### 47 $\frac{5}{8}$ " wide combination

Step 1. Select 18 $\frac{1}{2}$ " deep cabinet with sliding doors.

Step 2. Combine it with 13 $\frac{3}{4}$ " deep stackable unit with sliding doors.

**Would you like now to convert any stackable unit into a standalone?** You can do it by adding the plinth in the compatible size (sold separately).

# VERTICAL COMBINATION – PARTS AND PRICES

# INTEGRATED LIGHTING

## Conventional or connected smart IKEA lighting?

Good lighting makes life easier and helps you set the right mood. The options here are made for furniture like HAVSTA. They let you light up your favorite pictures and collections, and enjoy the cozy reflected light. And of course lighting makes finding things easier, on shelves or even inside cabinets. The TRÅDFRI LED driver makes OMLOPP, FORMAT, URSHULT, LINDSHULT and MAGLEHULT smart and gives it the ability to be

wirelessly dimmed with the TRÅDFRI wireless dimmer and to be connected to the TRÅDFRI gateway. When you use the TRÅDFRI gateway, you can control TRÅDFRI connected lighting from the TRÅDFRI app in different ways together with other TRÅDFRI lighting in your home. All our lighting is energy-efficient LED, saving money on your electricity bills.

**OMLOPP LED spotlight** W1×L8". To be completed with TRÅDFRI LED driver and ANSLUTA power supply cord, sold separately. Dimmable with TRÅDFRI wireless dimmer and TRÅDFRI gateway, sold separately. To be mounted inside a HAVSTA cabinet.\*

L79"	601.199.25	<b>\$7</b>
L28"	401.199.26	<b>\$6</b>

**ANSLUTA LED driver.** Use the ANSLUTA LED driver for conventional on and off functionality. Up to 19W.

19W	904.058.45	<b>\$10</b>
-----	------------	-------------

**Please note** that HAVSTA cabinets do not have pre-drilled holes for interior lighting. In order to attach lighting, you need to drill the necessary holes in your unit.

# SERVICES

IKEA products are designed to be taken home and assembled by you. That way, you'll save the most money. But if you would like some help, we can offer a range of services. Assembly and delivery services fulfilled by an Independent Service Provider. Contact your local IKEA store or visit the IKEA website for details: [IKEA-USA.com/services](http://IKEA-USA.com/services)

## DELIVERY SERVICE

Most of our products are designed and packaged so that you can take them home yourself. If you prefer, we can arrange for delivery of your purchases directly to your home or business. Same day, next day or same week deliveries are available. We can also arrange for delivery at a later date if you would like.

## PICKING WITH DELIVERY SERVICE

We'll collect the products on your shopping list from throughout the store and arrange to have everything delivered to your home or office. See an IKEA co-worker and tell them what you're looking for and they will book and print your items on a customer order. Take this order to the check-outs and pay for your purchases both goods and services. And you're on your way!

## ASSEMBLY SERVICE

For online and in-store purchases, TaskRabbit offers quick and convenient assembly and mounting for your IKEA purchases made online and in select stores. Plus, enjoy flat rate pricing created just for IKEA products.

Services and prices may vary, please see [IKEA-USA.com/services](http://IKEA-USA.com/services) or talk to us in your local IKEA store.
