### Renew your favorite sofa

KLIPPAN is a popular classic. It has durable metal springs, which give the sofa its springy comfort, and a design and price that match most homes and wallets. The fabric loveseat comes with the frame unassembled, making the package smaller and easier for you to transport home. Most covers are machine washable and sold separately – you may want to buy a few so you can change whenever the mood strikes you. The leather loveseat has a fixed cover and comes fully assembled in one package.

### Sofa for everyone

The durable metal springs give the sofa its springy comfort and ensure the seat will have a long, full life. If you want extra cozy moments in KLIPPAN, add pillows, blankets - and whatever else you like.

## Coated fabric

Coated fabric is a fabric material with a coating, which can be embossed to look like leather. It's a strong and durable material and very easy to care for – just vacuum the surface using the soft brush attachment on your vacuum cleaner and wipe with a damp cloth.
