

## BUYING GUIDE

# KNOXHULT

## Kitchen series

### CARE

Wipe the cabinets clean with a damp cloth. Wipe dry with a clean cloth.

### SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware suitable for the walls in your home, sold separately.

### GOOD TO KNOW

The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. The legs are adjustable to make the frame stand steady on uneven surfaces.

**Complete kitchen cabinets with a low price** Are you looking for a simple kitchen with both quality and a low price? KNOXHULT kitchen series includes seven complete cabinets with doors, drawers and shelves. All base and wall cabinets have a scratch-resistant, easy-to-clean foil surface both inside and out. And the work area has a depth of 24". Combine KNOXHULT kitchen with appliances. Complement with a sink and kitchen faucet – and with knobs and handles, too, of course.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting [IKEA-USA.com/stockavailability](http://IKEA-USA.com/stockavailability). For more detailed product information, see the price tag or visit [IKEA-USA.com](http://IKEA-USA.com). All products shown require assembly.

# COMPLETE KITCHENS

The KNOXHULT kitchens are complete with countertop, shelves, drawers, hinges, toekick, sink, sink strainer/stopper and faucet. Just complement with knobs, handles and appliances, sold separately.

Overall size: W147×D61×H90".

For suggested appliances, please see the All Parts and Prices list on page 3. KNOXHULT kitchen system can also be combined with all other appliances in the IKEA range. See the Appliance guide in your local IKEA store or online.

# SERVICES

IKEA products are designed to be taken home and assembled by you. That way, you'll save the most money. But if you would like some help, we can offer a range of services. Assembly and delivery services fulfilled by an Independent Service Provider. Contact your local IKEA store or visit the IKEA website for details: [IKEA-USA.com/services](http://IKEA-USA.com/services)

## **DELIVERY SERVICE**

Most of our products are designed and packaged so that you can take them home yourself. If you prefer, we can arrange for delivery of your purchases directly to your home or business. Same day, next day or same week deliveries are available. We can also arrange for delivery at a later date if you would like.

## **PICKING WITH DELIVERY SERVICE**

We'll collect the products on your shopping list from throughout the store and arrange to have everything delivered to your home or office. See an IKEA co-worker and tell them what you're looking for and they will book and print your items on a customer order. Take this order to the check-outs and pay for your purchases both goods and services. And you're on your way!

Services and prices may vary, please see [IKEA-USA.com/services](http://IKEA-USA.com/services) or talk to us in your local IKEA store.
