# PROTECTING & CARING FOR KUNGSHOLMEN

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

## Cleaning

Wipe clean with a mild soapy solution. HÄLLÖ and FRÖSÖN cushion covers are removable and machine washable.

## Maintenance

Requires no maintenance.

## Storing

### KUNGSHOLMEN sofa frame:

If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation. In freezing temperatures, plastic can weaken and is not recommended for use.

### Cushions:

Store the sofa cushions in a cool, dry place indoors when the season is over, preferably in a storage bag or storage box to protect from dirt and dust. Make sure the cushions are completely dry before storing them away.
