CARE INSTRUCTION

Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

GOOD TO KNOW

Measure the depth and width of your TV-set. The measurements should be less than those of the TV furniture.

Two people are needed for the assembly of this furniture.

SAFETY

Secure It! Prevent tipover injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware suitable for the walls in your home (not included).

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

Tradition meets technology!

Don't be fooled by the turned legs, intricate moldings and tongue and groove joinery. LIATORP may look antique but it has plenty of room for the wonders of technology. The series includes tables, cabinets and bookshelves. They're perfect for everything from DVD players and CDs, to your grandmother's dishes and your child's drawings. With LIATORP you can decorate in a country style throughout your kitchen, living-room and home office – without compromising on your family's new traditions.

The finishing touch

The décor strip on the bookcase is one of the details that gives LIATORP its distinct country styling. But the décor strips have a practical function too. You can use them to join two or more bookcases. This makes them appear as one continuous bookcase with a long décor strip. Like a custom-made bookcase, built by a carpenter!

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

HOW TO BUILD

First, think about what you have and how much you need to store - books, CDs, photo albums, etc. Then choose one, two or more bookcases. They work just as well in your bedroom as

in the home office. Combine with high or low doors to suit your needs and preferences.

GOOD TO KNOW

1. Cornice and plinth rail help create a uniform expression when two or more units are connected together.

2. Adjustable shelves; adjust spacing according to your needs.

3. Adjustable feet; stands steady also on an uneven floor.

4. Cord outlet at the back; keeps cords in place.

5. Panel doors protect your books from dust and light and hide things that you don't want to show.

COMBINATIONS

A simple unit can be enough storage for a limited space or the foundation for a larger storage solution if your needs change. Panel/glass doors provide dust-free storage and let you hide or display things according to your needs.
