### It doesn't get more comfortable!

LIDHULT sofa is designed in the smallest detail for maximum comfort. It feels inviting and embracing with built-in lumbar support in the high back and a nice neck cushion. Pocket springs provide support where needed and follow the body precisely, while the top layer of fiber balls makes the sofa extra soft. The seats are also generous so that everyone sits with maximum comfort, regardless if it's TV night or relaxing with family and friends. It doesn't get more comfortable!

### Maximum comfort in all situations

The embracing, inviting and generous LIDHULT sofa is designed for maximum comfort in all situations. It's just as ideal for a nap as for relaxing with friends and family - everyone sits comfortably thanks to the spacious seats. The sofa is available in many various styles, and you can choose between covers in soft leather and washable fabric. The chaise has spacious storage under the seat, and the comfortable sleeper sofa is a good option if you often have overnight guests!
