

SOLLERÖN

Outdoor Living Furniture Series

Customize your outdoor sofa

SOLLERÖN is a series of outdoor lounge furniture which consists of various sections to use individually, or combine them to create a modular sofa that suits you. Do you want a cozy corner to curl up in? An outdoor sofa for two? Maybe a long sofa to stretch out on and read? Or a comfortable seat for casual dinners? It's easy to disconnect the sections and reconfigure them in a new way. Or skip a sofa entirely and create seating with several armchairs. The choice is yours!

Comfortable and easy to care for

The SOLLERÖN series is made of handwoven plastic rattan with the same look as natural rattan. It's weather resistant and easy to care for – mild detergent and water are all you need. Add KUNGSÖ, HÅLLÖ or FRÖSÖN/DUVHOLMEN seat and back cushions for great comfort, and use decorative cushions like FUNKÖN, SÖTHOLMEN and GULLINGEN to personalise your sofa. The covers can be removed and machine washed. There's also practical storage under the seat.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting IKEA-USA.com/stockavailability. For more detailed product information, see the price tag or visit IKEA-USA.com. All products shown require assembly. All textiles shown are imported.

FURNITURE COMBINATIONS

Overall size: Width×Depth×Height.

Made for comfort. Creating outdoor seating you'll love couldn't be easier. One or more armchairs makes for a comfortable solution. Especially since the seat height and the angled back have been designed to give you a relaxing sitting position.

HOW TO BUILD

You can combine SOLLERÖN sections into a modular sofa that perfectly suits your needs. If you want to make a different

combination at a later time, it's easy to disconnect the sections and reconfigure them in a whole new way.

PROTECTING AND CARING FOR SOLLERÖN

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected more than necessary.

Cleaning

Wipe clean with a mild soapy solution. KUNGSÖ, HÄLLÖ and FRÖSÖN covers are removable and machine washable.

Storing:

SOLLERÖN sofa frame:

If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation. In freezing temperatures, plastic can weaken and is not recommended for use.

Cushions:

Store the sofa cushions in a cool, dry place indoors when the season is over, preferably in a storage bag or storage box to protect from dirt and dust. Make sure the cushions are completely dry before storing them away.

Maintenance

Requires no maintenance.

Repairing

The steel frame is protected from rust with a powder-coating of plastic paint. If for some reason the coating comes off, the steel is not protected and rust may occur. To repair the damage, wipe clean and repaint to restore protection.

Note!

SOLLERÖN coffee table top is made of tempered glass. Handle the glass with care. A damaged edge or scratched surface can in exceptional cases cause the glass to crack suddenly. However, never into sharp fragments, only into small pieces. Avoid collisions from the side – this is where the glass is most vulnerable. Also, the table is not intended to support a umbrella, such as those that clamp to the edge of the table.
