### Warm and traditional

The STOCKSUND seating series has a timeless, traditional style and a warm inviting feeling, with soft rounded shapes and handcrafted details like turned wooden legs. The generous dimensions and seat cushions with a core of pocket springs give excellent comfort that you will enjoy for many years to come. The series includes sofas of different sizes, an extra wide armchair and a bench with storage that you can even use in the hallway or at the foot of your bed.

### Quality, inside and out

With STOCKSUND, all details have been carefully designed to make both the inner and outer qualities easy for you to see and feel. The seat cushions have a core of highly durable pocket springs and a somewhat wider seat angle that makes the sofa feel deeper and you sit more comfortably. The legs are turned and crafted in solid wood. A choice of covers is available, all made of strong and durable fabrics, with decorative piping and beautifully sewn pleats – all are removable and machine washable.
