## Wall-mounted storage system

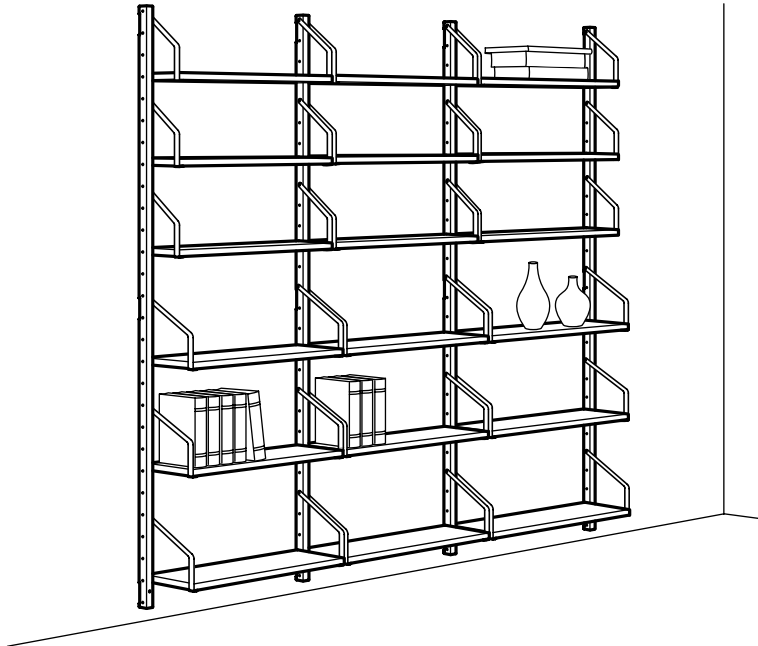

### GOOD TO KNOW

Made of bamboo, which is an easy-care and durable, natural material.

### SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the product's assembly instructions.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

### Build your own storage

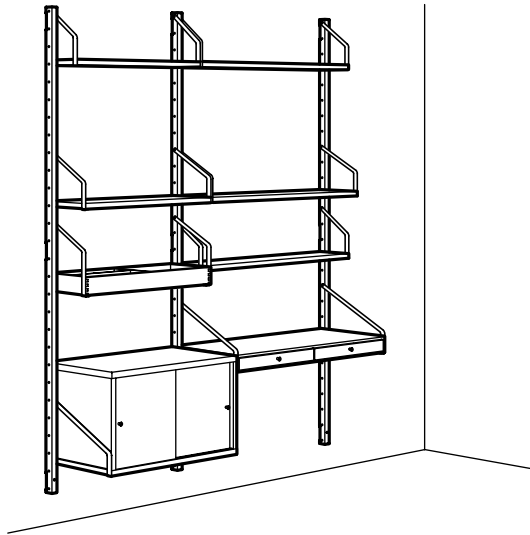

The idea with SVALNÄS wall-mounted storage system is that it can look like almost anything. It all depends on what you use it for. Clothing and shoes in the hallway. The TV in the living room. A workstation with a charging pad for smartphones, shelves for binders – and maybe a mix of hidden and open storage. No problem. You can easily build your own custom combination, to best suit your needs. As a bonus, SVALNÄS is made from durable and renewable bamboo!

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.
