## Measuring Service

Measure once! Just like preparing ingredients to bake a perfect cake, careful measuring is key to the success of your new kitchen. Precise measurements and an accurate survey of the conditions of your existing kitchen lead to an accurate kitchen plan and ease of installation. But not everyone is good with a ruler or feels confident about taking on this straightforward but critical step in the process. That's why we are happy to offer a Measuring Service that will send an experienced professional from our independent service provider to your home to assess the conditions and provide accurate measurements. Not only can this service save you all kinds of headaches, but when you buy an IKEA kitchen, it costs you nothing – your Measurement Service fee is refunded to you when you buy an IKEA kitchen.

With you every step of the way.

### IKEA® Home Planner

You can plan your kitchen on your computer with our online 3D IKEA Home Planner at [IKEA-USA.com/3DKitchenplanner](http://IKEA-USA.com/3DKitchenplanner) – it's free, it's fun and it calculates your price as you click along. You can PRINT, SAVE and CHANGE your kitchen plan as many times as you want. Email it to friends and make improvements. Then come to the store and get advice – you can access the same plan you've been working on – and share it with our IKEA Kitchen Specialists.

Visit the Kitchen planning studio at your IKEA store where you can use IKEA computers to create and print your kitchen plan using the same planning tool. We call it 'assisted self-planning' – we're there to answer your questions and coach you through the process of planning your IKEA kitchen.
