

## IKEA Chests of Drawers/Dressers

IKEA chests and dressers in the chart below, in addition to the MALM 3-, 4-, 5- and 6-drawer units, that were manufactured before June 2016 are subject to recall. To determine whether your unit was manufactured before June 2016, check the product label on the inside of the top or side frame of the unit for a date code lower than “1622”:
