

Create inspiring spaces within your home

IKEA sale is back starting 8 July

Kuala Lumpur, 8 July 2021 – As we continue to spend more time at home while carrying out our day-to-day to routines, our living spaces have become the heart of our lives. In getting accustomed to the new way of living, it is important to ensure our home environment continues to meet the requirements of a multi-functional future. By refreshing it with the right solutions, we will be able to utilise the spaces in our homes creatively while finding greater functionality within it.

To provide Malaysians with greater savings, the IKEA sale is back with 50% off on truck delivery and only RM10 for parcel delivery. Offering affordable essentials for every part of the home, here are some inspiration and quick solutions to revitalise spaces within your home.

Creating an inspirational work setting

Producing your best work means being in a space that works for you. Switch up the look of your working space for a more inspirational and productive environment. Upgrade your home office with a comfortable chair and work lamps to give your working space an elegant setting and hue.

MILLBERGET

BAROMETER
