

Buying guide

BILLY

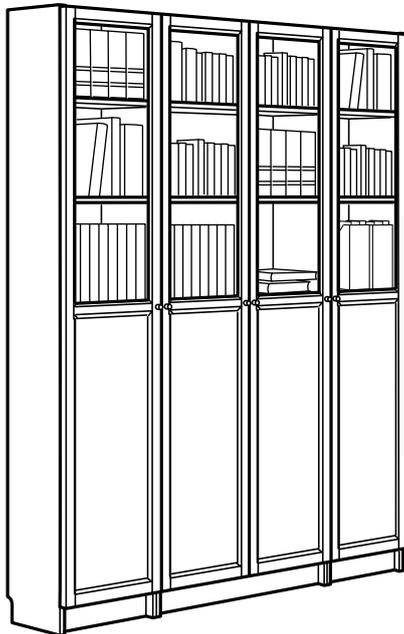

Bookcase series

Safety

This furniture must be fixed to the wall with the enclosed wall fastener.

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home (not included).

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, only into small pieces, never into sharp fragments.

Storage for all occasions and needs

BILLY bookcase is a beloved icon that never goes out of style. Thanks to its versatility you can use it in many different ways at home – regardless of whether you store books or everyday items in it. A single unit can be enough, but you can also add more bookcases, extension units and shelves to create a larger and more personal combination. BILLY is available in different heights, widths, and expressions so you can always find a storage solution that suits you and your home!

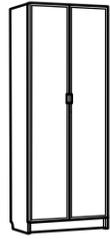

Better and better, day by day

BILLY was launched in 1979 and is just as popular today. We're constantly working to make the series even better, more relevant and more useful. Some changes, like new wooden expressions, you see right away. Others take longer to discover, for example that BILLY is made of high-quality paper foil and that the back panel fixes in place with snap fittings. This makes it easy to assemble and disassemble, so you can bring it when moving and continue to enjoy your BILLY for years.

All the products (shown here) may not be available at the store. Please contact the staff or look at www.IKEA.my for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Combinations

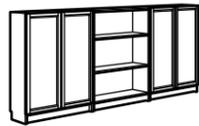

BILLY/HÖGBO bookcase with glass doors.

HÖGBO glass doors let you display your favourite items while protecting them from dust. You can also use the doors with the included panel or put photos, fabric or wallpaper between the glass and the panel. Place the solution in your living room or in the dining area to enjoy beautiful and functional storage. Overall size: 80×30×202 cm

This combination

in white: RM619 (894.836.60)

in black oak effect: RM729 (094.840.79)

BILLY/OXBERG bookcase with panel doors.

A wide horizontal solution with open shelves in the middle and closed storage with OXBERG panel doors on the sides. Great to use as a sideboard to display nice items on top. Overall size: 240×30×106 cm

This combination

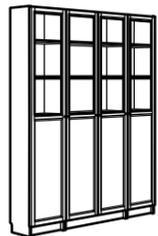

in white: RM727 (894.837.16)

in oak effect: RM997 (094.837.15)
