Welcome to your most comfortable self!

Spacious and embracing, soft and welcoming. FÄRLÖV sofa is beautiful and comfortable to live with, year after year. Pocket springs follow your body, provide support exactly where needed and help the sofa keep its inviting shape. The top layer's cut foam pieces and the selected covers, in smooth velvet or with natural linen added, provide additional comfort. And the generous size fits the entire family. Sit and relax – and let the sofa bring out your most comfortable self!

All the products (shown here) may not be available at the store. Please contact the staff or look at IKEA.my for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

FLODAFORS beige	991.926.46	RM2,550
FLODAFORS white	491.926.39	RM2,550

GOOD TO KNOW

FABRIC SOFAS

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

	Washing instructions	Resistance to abrasion (cycles)	Light fastness (0-6)
DJUPARP dark grey	Machine washable at 40°C.	25,000	5
DJUPARP yellow-beige	Machine washable at 40°C.	25,000	5
FLODAFORS white	Machine washable at 40°C.	25,000	6
FLODAFORS beige	Machine washable at 40°C.	25,000	5
TALLMYRA (for GB)	Machine washable at 40°C.	30,000	5

DJUPARP cover is made of velvet which, through a traditional weaving technique, gives the fabric a warm, deep colour and a soft surface with a dense pile and light, reflective shine. The velvet is woven from viscose and polyester, which are strong and durable fibres. 62% polyester, 38% viscose/rayon.

FLODAFORS: A yarn-dyed fabric with natural hints of flax that give the cover a texture that both looks and feels crisp. 59.5% cotton, 24% polyester, 16.5% linen.
