

## BUYING GUIDE

# KNOXHULT

## Kitchen series

### CARE

Wipe clean the cabinets with a cloth dampened in water or a nonabrasive detergent. Wipe dry with a clean cloth. Clean stainless steel surfaces after use by wiping with a sponge and a clean cloth, adding non-abrasive detergent if necessary. Always wipe lengthways.

### SAFETY:

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

### GOOD TO KNOW:

The hinges are adjustable vertically, horizontally and in depth; makes it easier to mount the door in an exact position. The doors can be mounted left or right. The legs are adjustable to make the frame stand steady on uneven surfaces.
