

Product Safety recall

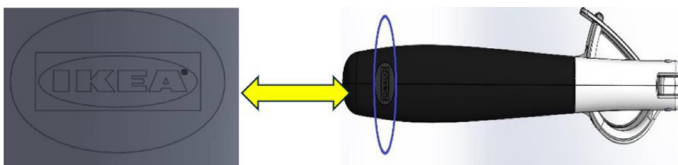

IKEA recalls IKEA 365+ VÄRDEFULL garlic press

IKEA urges all customers who own an IKEA 365+ VÄRDEFULL garlic press to stop using it and contact IKEA. The product has the article number 201.521.58 and affected date stamps are 2411 (YYWW) until 2522 (YYWW). The date stamp and article number are not visible on the product once the original label has been removed. The affected article has been sold from April 2024 up until June 11 2025.

Why is this product dangerous?

Due to a production error, identified after an internal investigation, indicating a risk of small metal pieces detaching during use and subsequently being ingested with the food. This can be harmful to health. Affected products can be identified by a marking of the IKEA logo on the upper handle of

If customers still cannot identify it, they can return any IKEA 365+ VÄRDEFULL garlic press and get a refund.

What to do?

Customers who own an affected garlic press, with date stamps 2411 (YYWW) until 2522 (YYWW), sold from April 2024 up until June 11 2025, should immediately stop using it and contact IKEA for a full refund.

Remedies for customers

Affected products can be returned to any IKEA store for a full refund. Proof of purchase (i.e. a receipt) is not required.

For more information, customers can visit [IKEA.nl](https://www.ikea.nl) or contact us on 050 711 1267. IKEA apologizes for any inconvenience and thanks all customers for their understanding.

Spread the word about this recall, especially if you know that the recalled product was offered, lent or sold to someone else.
