

BUYING GUIDE

KNOXHULT

Kitchen series

CARE

Wipe clean the cabinets with a cloth dampened in water or a non-abrasive detergent. Wipe dry with a clean cloth. Clean stainless steel surfaces after use by wiping with a sponge and a clean cloth, adding non-abrasive detergent if necessary. Always wipe length-ways.

SAFETY

Different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home, sold separately.

Complete kitchen cabinets with a low price

Are you looking for a simple kitchen with both quality and a low price? KNOXHULT kitchen series includes six complete cabinets with doors, drawers and shelves. All base and wall cabinets have a scratch-resistant, easy-to-clean foil surface both inside and out. And the work area has a depth of 61 cm. Complement with a sink and kitchen faucet — and with knobs and handles, too, of course.

COMPLETE KITCHENS

The kitchens are complete with worktop, shelves, drawers, hinges, plinth, sink, water trap and tap. Just complement with knobs, handles and appliances. For suggested appliances, see the LAGAN hood and TILLREDA portable hob in the All parts and prices list on page 4. KNOXHULT kitchen system can also be combined with all other appliances in the IKEA range.
