JONAXEL

Storage solution

Care instructions

Wipe clean with a soft cloth dampened in water and a mild washing-up detergent or soap, if necessary.
Wipe dry with a clean cloth.

Safety

Floor-standing solutions with baskets must be secured to the wall, unless fitted with castors.

Different wall materials require different types of fixing devices. Use fixing devices (sold separately) suitable for the walls in your home.

If you have any doubts regarding what kind of walls you have in your home, how much load they can carry or how to securely fix JONAXEL onto your walls you must contact a specialised local dealer for advice.

Good to know

Only recommended for indoor use.

It can be difficult to keep things neat and tidy, no matter if you live small or big. That's why we developed JONAXEL – a storage system that lets you utilise the storage spaces you have in smarter ways. You can easily build a combination that fits exactly your needs and use it almost anywhere indoor, even in humid bathrooms and laundry rooms. What do you want to store?

All the products (shown here) may not be available at the store. Please contact the staff or look at IKEA.ph for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

How to plan

When planning for storage in your home, start by asking yourself what you need to store. Do you need somewhere to hang your clothes, store your bed linen or towels? How much space do you have?

Before you start to plan your new storage solution, find out what space you have to work with. Sketch out your working space, taking measurements from the floor to the ceiling and between the walls. Make a note of any window or door that might affect the size of your storage solution, take detailed measurements and make allowances for opening and closing doors. Don't forget to take into account any radiators, pipes, ventilation or other features that could affect your storage solution.

Ready-made or tailor-made?

You can choose one of our ready-made combinations or you can design your own tailor-made JONAXEL storage solution. Start by taking a look at the ready-made combinations included in this buying guide. Our in-store sales staff can help you compile a picking list of your chosen combination to guide you through the Self-Serve area and they can also inform you about other services such as pick-up and home delivery services.

Please note:

You can find a wider selection of JONAXEL combinations on the IKEA website. You can also plan your combinations by using our Planner online or instore.
