### English

**Important:** Wet the bathtub floor before placing the mat. Press down firmly on the entire surface to make sure all suction cups stick, then carefully step onto the centre.

**Important!** Not for use on textured surfaces. Press mat sucker side downwards securely into place on wet surface before using. Rinse and hang to dry after each use.

- Never leave your child unattended.
- The mat may not lie completely flat at first due to packaging. Allow 24 hours after unpacking before use.
- For bathtub use only.
- Ensure the bathtub floor is clean before placing the mat.
- Do not use with bath oils or other bath products with added oils, as these may reduce the mat's grip.
- Hand wash regularly with warm, soapy water.
- Do not use the mat if you notice any defect or impact on the material.
- Avoid contact with direct heat sources, such as radiators.

When you decide to stop using the product – contact your local recycling facility regarding disposal of the product.

### Deutsch

**Wichtig:** Den Boden der Badewanne befeuchten, bevor die Matte ausgelegt wird. Die Badewannenmatte fest auf die gesamte Fläche drücken, damit alle Saugnapfe haften bleiben, und dann vorsichtig auf die Mitte treten.

**Achtung!** Nicht für strukturierte Oberflächen geeignet. Vor der Benutzung die Noppenseite der Matte auf die feuchte Fläche drücken, damit sie sich festsaugt. Die Matte nach jeder Benutzung abspülen und zum Trocknen aufhängen.

- Kinder nie unbeaufsichtigt lassen.
- Die Matte liegt aufgrund der Verpackung möglicherweise zunächst nicht vollständig flach. Nach dem Auspacken 24 Stunden warten, bevor sie verwendet wird.
- Nur für die Verwendung in der Badewanne geeignet.
- Sicherstellen, dass der Boden der Badewanne sauber ist, bevor die Matte aufgelegt wird.
- Nicht zusammen mit Badeölen oder anderen Badezusätzen mit Ölanteilien verwenden, da diese die Saugfestigkeit der Matte beeinträchtigen können.
- Regelmäßig von Hand mit warmem Seifenwasser waschen.
- Die Matte nicht verwenden, wenn du einen Defekt oder eine Beschädigung des Materials feststellst.
- Direkten Kontakt mit Hitzequellen wie Heizkörpern vermeiden.

Wenn du entscheidest, das Produkt nicht mehr zu verwenden, wende dich bezüglich der Entsorgung des Produkts bitte an die örtliche Recycling-Einrichtung.
