Our favourite recipe

This is a fresh new take on Scandinavian design. Simple and straightforward but with a pinch of playfulness and youth. It's timeless without being bland. It's like a recipe that you haven't tried before and it still feels so familiar. It's a recipe we love - and hope that you do, too.

SPETSBOJ

Is it a lamp? Yes.

Is it more than a lamp? Yes, again.

So what is it? It's a table lamp with a shade that doubles as a dimmer. Turn it to the right for more light, turn it left for less.

**Hide it or
show it. Why
not both?**

Is it storage or storytellers?

Good storage must be functional. It has to do the job of actually storing things. But there's another, more interesting layer. Beautiful storage products are also great storytellers. They show who you are and give your home a personality and a unique touch. Here are some of our new favourite storytellers.

Beauty travels at the speed of light

The new ZEBRASÄV has a supersimple design but with a twist. The wave that rolls around the shade makes all the difference. It's humble and understated but with that typical IKEA twinkle in the eye.

Handcrafted rugs

In wool by IKEA

When the sun is setting on the west coast of Sweden, everything turns golden. The sea, the sand, even the grass seems to change from green to orange gold. The KLAPPERSTARR rug is like a snapshot of all that woven into a rug. It's a piece of the Swedish coastline ready to roll out anywhere in the world.
