The joyful purpose of GOKVÄLLÅ

As the crescent moon starts to rise, it's time again to make your home shine for Ramadan. Time to come together with family, friends and neighbours to share food and moments of joy after the day's fast. A magic month of nightly celebrations, warm hearts and open homes.

This year's GOKVÄLLÅ collection has everything you need to create that enchanted Ramadan feeling. Joyful decorations, generous cushions, and ornamented textiles. Shiny brass tableware, glowing string lights, and cosy lanterns. GOKVÄLLÅ makes your home sparkle with joy, day after day and night after night.

Festive and ready for a month of joy

Reach for the moon with garlands and hang decos, as you dress your home up for a magic month of daily fasts and bustling nightly feasts. To make your iftar table extra festive, garnish with some vibrant table runners, place mats and paper napkins in colourful patterns. Just add some of that great food of yours, and you're ready to host many joyous iftars for your loved ones.

Treat yourself, it's the sweetest moment of the day

Dates, fruit, and loved ones -- all you need to make the breaking of the fast a truly sweet moment.

With some festive brass tableware for your treats and a vacuum flask of hot coffee, you're ready to go from fast to feast in no time. So, as the sun sets and the moon starts to rise, just light a scented candle, sit back and enjoy the moment together.

Iftar means great food and even better company

As all the yummy dishes get passed around, set the festive Ramadan mood with glowing candle lanterns, shining brass tableware and vibrant textiles. And if more guests show up, just roll out some floor cushions and bring in even more delicious food. Sharing is caring and the more the merrier. So, as the host with the most, let's make space for even more laughs, food, and joy!

Enjoy some me-time before it's we-time

Take a breather (or power nap) to cuddle up and connect with yourself during the day's fast. Some soft cushions and throws, a cosy candle lantern and some glowing string lights, and you're all set to embrace the special spirit of Ramadan. A precious, well-deserved moment of quiet me-time, before the sun sets and all the guests arrive for another lively iftar.
