“The pattern for VILDPERSILJA curtains and cushion covers is one that had been simmering in my mind for a while. It’s inspired by the old houses that line the streets of Visby, Gotland where I live, with charming walled gardens full of roses, fruit trees, hollyhocks, ivy, daisies, marigolds, figs and walnut trees. Whether you are looking to add life and a splash of colour to a neutral-toned space or to make your urban flat cosier – this versatile pattern connects you to nature.”
