Create your personal favourite

You can customise VIMLE sofa series as you like so that you can enjoy it for a long time. Select the size and shape to fit both your needs and the look of your home. You can create anything from a timeless 2-seat sofa to a spacious corner sofa with a chaise longue. The chaise longue and footstool have practical storage space for things like throws and magazines. You add the final touch with a cover that you like – all covers are durable and easy-care.

All the products (shown here) may not be available at the store. Please contact the staff or look at IKEA.sg for more information. For more detailed product information, see the pricetag and the Internet. All units require assembly.

Combinations

Overall size: Width×Depth×Height.

Here we show some examples of how VIMLE sofa series can look, but you are free to customise the sofa to suit you and your needs. Decide the number of seats, shape of the sofa, what functions you want and of course a cover that feels right for

VIMLE chaise longue.

How to convert

It is easy to transform VIMLE sofa-bed into a spacious and comfortable bed.

1. Start by taking off the back- and seat cushions.
2. Fold down the fabric piece at the front edge of the seat.
3. Then lift the underframe and pull it towards you.
4. Finally, fold down the foot of the bed.

All parts and prices

Total price including cover. NOTE! The sections can only be used together with VIMLE sections/sofas bought from April 2021 and onwards.

VIMLE 1-seat section, W71×D98×H83 cm.

Good to know

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibres can withstand abrasion better than fabrics with only natural fibres. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your sofa of course.

| | Washing instructions | Resistance to abrasion (cycles) | Light fastness (1-8) |
|--|---------------------------|---------------------------------|----------------------|
| Gunnared: Plain weave with tone-in-tone colour effect. 100% polyester. | Machine washable at 40°C. | 50,000 | 6 |
| Hallarp: Woven with a texture and a slight two-tone effect. 80% cotton, 20% polyester. | Machine washable at 40°C. | 15,000 | 5 |
| Saxemara: Fine wale corduroy that is soft to the touch. 30% cotton, 70% polyester. | Machine washable at 40°C. | 30,000 | 5 |

VIMLE in leather and coated fabric

VIMLE leather sofa is a combination of our 1,2 mm thick grain leather called GRANN, which is a soft yet durable dyed through leather, and BOMSTAD coated fabric. Coated fabric has the look and feel of leather at a lower cost.

This is why IKEA often uses a combination of both, with leather on direct contacts areas such as seating surfaces and armrests (1), and coated fabric on other outer surfaces (2).

Grain leather

The natural variations in the hide are visible, as the leather is treated with only a light colour coating for protection. The leather will acquire a beautiful patina over time. It's also easy to care for – just vacuum regularly with the soft brush attachment on your vacuum cleaner.

Coated fabric

Coated fabric is a fabric material with a coating, which can be embossed to look like leather. It's a strong and durable material and very easy to care for – just vacuum the surface using the soft brush attachment on your vacuum cleaner and wipe with a damp cloth.

Durability

All our different leather and coated fabrics have been treated to protect them and make them easy for you to look after. All have also been tested and approved for tear strength, flexibility and colour fastness, so you can be sure you will enjoy your new sofa or armchair for many years to come.
