GOOD TO KNOW

Be sure to follow the instructions in the manual for charging electronic equipment. We recommend that you switch off the power supply when leaving electronic equipment unattended for a longer period.

The material in this product may be recyclable. Please check the recycling rules in your community and if recycling facilities exist in your area.

SAFETY

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

Living room and workplace in the same style

In the HEMNES series you'll find everything you need to make your living room pleasant and practical — and even create a workplace for productive work, too. Choose between tables, bookcases, glass-door cabinets, TV units and desks — many with smart solutions that help you organize just about everything, from cords to flatware, binders and knick-knacks. All pieces in the HEMNES series share the same genuine solid wood and timeless design, so it's easy to coordinate pieces and make a matching workplace that looks great in your living room, or anywhere in your home.

Beautiful in a natural way

There is something special about HEMNES — and one important reason is that all the furniture in the series is made of solid wood. Wood is a natural material that ages beautifully and is both durable and renewable. That's very important, of course, but the feeling it gives is just as important; the solid wood gives character and natural beauty to the furniture. That will make you want to live with it in your home for a long time — and it will become more beautiful and more personal for every passing year.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

WALL ANCHORING GUIDE

If your wall material is not listed or if you have questions, consult with a local hardware retailer.

We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Secure it! Use the tip-over restraint provided with the product and the right hardware for your wall type. Consult the enclosed guide for help with hardware.
- Never put a TV or other heavy objects on top of a chest of drawers or any furniture not intended for use with a TV.
- Place heavy objects in the lowest drawers.
- Never let children climb or hang on drawers, doors or shelves.
