

Our expertise extends to commercial spaces as well. We work in commercial interior spaces large and small, designing a workspace that meets your practical and style needs. Help your workplace reach its full potential with our affordable office interior design services. Schedule an appointment today to see how our small budget interior design services can have a big impact on your business!

**Sectors we work with include:**

Offices of all sizes; retail spaces; restaurants, cafes, bars; hotels & hospitality; AirBNBs, VRBOs, short- and long-term rentals; healthcare and dental practices; developers & construction professionals, model units; educational, tutoring, childcare, & daycare facilities; higher education; nonprofits; community centers.

**Price:** \$299 per project

**Meetings:** 2 - 3 in person or virtual meetings up to 60 minutes

**We'll provide you with the following:**

- Expert advice from a professional interior designer specializing in commercial design
- Design tips
- 2D top view (floor plan)
- 3D renderings, perspective views, and elevations
- 1 revision (\$50 per additional revision)
- Product quote
- Proposal for optional turn-key solutions (delivery, assembly, staging) if requested

**Must be an IKEA Business Network member to use this specialized service**
