Speaker to feel at home, wherever you are

Our VAPPEBY Bluetooth speakers have a clear and powerful sound and are designed to fit perfectly with your home's interior. VAPPEBY 8x8" gen 3 can be used with the handle so you can easily carry it with you, or without the handle if you want to place it in a small space like in the nook of a bookcase. It can be completed with the ENEBY battery pack if you don't have a wall socket nearby. VAPPEBY outdoor speaker lamp is perfect for your garden parties and balcony dinners. VAPPEBY portable Bluetooth speaker is waterproof and can be taken to the beach or in the bathroom. VAPPEBY peanut shape is a great companion for your child who wants to listen to music and dance to pulsating lights.

Good to know

Why Bluetooth?

Bluetooth speakers are great for a portable music experience in your home or outside. You can easily connect to the speaker from your phone or from other Bluetooth enabled devices.

Batteries

VAPPEBY 8×8" gen 3 is the only VAPPEBY speaker that does not have a built in battery. If you don't have a wall socket nearby and want to use it as a portable speaker you can buy ENEBY battery pack, which gives 25 hours of playtime.

Spotify Tap™

VAPPEBY speaker lamp and VAPPEBY 8×8" gen 3 have the Spotify Tap™ playback function. By pressing a button on the speaker the music will start streaming from wherever you left off. Another press plays new music based on your taste.

Stereo pairing

VAPPEBY portable waterproof speakers and VAPPEBY 8×8" gen 3 speakers offer stereo pairing. Buy two identical speakers and enjoy stereo sound.
