**EXPRESSIVE STORAGE YOUR WAY!**

Whether you prefer a toned down minimalistic or playful and colorful expression, the LIXHULT cabinets are a storage solution that fits across the home. The series is perfect to use in those spaces where you normally cannot fit larger storage units; in between furniture, in corners, between windows and under staircases. Basically, anywhere you need and want it!

You can use LIXHULT as a small and fun solution, or as larger, personalized combinations. Make your own LIXHULT by combining the different sizes and colors, have fun and let your personality shine through!
We all want our homes to be a safe place. But in our homes, accidents can put children at risk. Working together, we can help prevent these accidents and make the home a safer place.

- Secure it! Use the right hardware for your wall type. Consult the enclosed guide for help with hardware.
- Never put a TV or other heavy objects on top of LIXHULT that is not intended for use with a TV.
- Never let children climb or hang on doors or shelves.
