# NÄMMARÖ

Sometimes it's good to be square. The new NÄMMARÖ collection offers modular furniture that can be combined to create your own oasis. You'll find chaises and chairs for long and lazy days, sofas that allow you to invite many guests, and tables for intimate dinners or big families.

“When we designed NÄMMARÖ, we wanted to create a family of modern outdoor furniture that can both blend in and stand out. The square frame used throughout the series contributes to a uniform look and ties the different products together. The soft honey color ages with grace and is easy to match with things you already have at home and the greenery on your balcony or terrace.”
