BUYING GUIDE

Mattresses
and Mattress toppers/protectors

The key to feeling good – a good night’s sleep
We sleep for one-third of our lives, and a good night’s sleep is important for us to feel well and rested. What we choose to sleep on and have over us makes a big difference. To make the choice easier, we’ve gathered all of our mattresses, mattress toppers, slatted bed bases and legs in this buying guide. All items have unique features, so before deciding, it can be wise to test mattresses in our sleep studio at the store.

Good to know

When it comes to mattresses, one size doesn't fit all. People are built differently. People sleep differently. We understand this, which is why our range of mattresses offers you a wide choice of materials, support and price levels; everything you need to find a perfect match for you. Almost all of our mattresses and bases are covered by a 25-year limited warranty against defects in materials and workmanship. For more detailed information, please read the limited warranty.

Limited Warranty
Everyday life at home puts high demands on mattresses and mattress bases. IKEA mattresses and mattress bases have been rigorously tested to comply with our strict standards for quality and durability, as well as to meet the highest standards for residential applications. That means we can offer you a 25-year limited warranty that covers mattresses and mattress bases marked with the warranty logo above against defects in materials and workmanship. See page 14 or visit IKEA-USA.com/warranty for more information.

Love it or exchange it
You may exchange your mattress once within 365 days if you don't love it. Return your mattress with your receipt to the store and select your new mattress. We are unable to exchange your mattress if it is found to be dirty, stained, damaged or abused.

When you get your mattress home
It's normal for new mattresses to feel a bit too firm, so you should allow one month for your body to get used to the mattress and for the mattress to get used to your body. New materials also have their own particular smell. We recommend airing the mattress to help eliminate any smell. If you buy a roll packed mattress, you can use it immediately, but keep in mind that it takes 3-4 days of use for them to regain their shape.

Care and cleaning
Adding a Mattress topper (page 10) or mattress protector (page 13) to your new mattress makes it more hygienic, as it is easy to remove and clean. Some of our mattresses have a washable cover. On those that don't, use upholstery cleaner to remove stains. Even the best mattresses become less comfortable with age and all mattresses accumulate allergens over the years. So we recommend that you change your mattress every 8-10 years.

Do it yourself or let us help
Just because you can do everything yourself, doesn't mean you have to. Let us help you get a good night's sleep without any extra worrying with our service offers like financing, home delivery, assembly and more. See page 15 and read more at IKEA-USA.com/services or visit your local IKEA store.
HOW TO CHOOSE A MATTRESS

To find the right mattress for you, you should think about:

1. **Foam, latex or spring?**
   We offer a variety of different mattresses. Deciding if you want a foam, latex or spring mattress will help you narrow down your choice considerably.

2. **Your budget**
   We have mattresses to fit every budget, from basic mattresses to mattresses made with high-quality natural materials. But you can be sure that every one is designed to give you a good night's sleep.

3. **How does it feel?**
   The most important thing when choosing a mattress is to have a good lie down. Try the mattress without a thick jacket or coat, and in the position you usually fall asleep in. That way, you can tell if the mattress is a good match for you!

MATTRESS COMFORT SYMBOLS

The symbols below are used to show the features of our comfort products.

- **25-year limited warranty**
  Almost all of our mattresses and bases are covered by a 25-year limited warranty against defects in materials and workmanship. For more detailed information, please read the details on page 14 or visit IKEA-USA.com/warranty

- **Firm**
  Mattresses that provide firm support.

- **Medium Firm**
  Mattresses that provide medium firm support.

- **Plush**
  Mattresses that provide soft support.

- **Natural materials**
  Natural materials like wool, cotton and sometimes natural latex and coconut fiber help air flow freely through the mattress and draw away moisture, so you won’t get too warm or too cold.

- **Extra comfort filling**
  An extra top layer of soft filling that adds comfort.

- **Comfort zones**
  Give each part of your body the support it needs. Softer areas allow your shoulder and hips to sink more deeply into the mattress while firmer ones actively support your neck and lower back.

- **Pocket springs/mini pocket springs**
  Individually wrapped springs that work independently to closely follow your movements and the contours of your body.

- **Bonnell springs**
  A layer of springs that provides all-over support to ensure a restful night’s sleep.

- **Latex**
  A soft and resilient natural material that offers personalized comfort by molding to your body. You’ll relax more fully as it distributes your body weight to relieve extra pressure and provide precise support.

- **Memory foam**
  A soft and resilient material that responds to your body temperature and molds itself to the contours of your body. You’ll relax more fully as it distributes your body weight to relieve pressure and provide optimum support and comfort.

- **High-resilience foam**
  High quality foam that closely follows your movements to provide support and relieve extra pressure.

- **Gel infused memory foam**
  Gel capsules in the memory foam take a longer time to warm up creating a cooler sleeping surface.

- **Foam**
  Gives you all-over support and comfort.

- **Roll packed**
  Makes it easier for you to handle the mattress and bring it home.

- **Wash temperature °F**
  For removable and washable mattress covers. Machine wash warm (100°F) or hot (140°F). Allergens thrive in warm, dark, humid environments like beds. Wash fairly often to keep it fresh and clean.

Spring mattresses distribute your weight evenly, so there’s no extra pressure on any one part of your body. The open spring construction helps air flow through the mattress, so you won’t get too warm while you sleep. You can get the comfort level that’s right for you with a Mattress topper and a slatted bed base or mattress base. Spring mattresses are also extremely durable.

FOAM AND LATEX MATTRESSES

Soft and resilient, foam and latex mattresses provide support by molding to the shape of your body and distributing your weight evenly. Because there’s no extra pressure on any part of your body, they facilitate blood circulation and help you fully relax. Foam mattresses also absorb the shock of movement, making them a great choice if you have a partner that tosses and turns at night. Their flexibility makes them a great fit for adjustable slatted bed bases.

MATTRESS PROTECTORS

A mattress protector will help your mattress or Mattress topper last longer and stay fresh by protecting it from stains and dirt. It’s removable, so it’s easy to wash when needed. Some filled protectors provide extra comfort and softness and draw moisture away from the body. The waterproof one prevents any liquid from passing through to keep your mattress dry and fresh. Pillow protectors are available in SOME of the mattress protector families. Contact your local IKEA store or visit the IKEA website for details: IKEA-USA.com.

Everyday life at home puts high demands on mattresses and mattress bases. IKEA mattresses and mattress bases have been rigorously tested to comply with our strict standards for quality and durability, as well as to meet the highest standards for residential applications. That means we can offer you a 25-year limited warranty that covers mattresses and mattress bases marked with the warranty logo above against defects in materials and workmanship. This limited warranty is subject to the terms and conditions stated below.

How long is the limited warranty valid?
The limited warranty for mattresses and bed components remains in force for twenty-five (25) years from the date of purchase. The original purchase receipt is required as proof of purchase.

What is covered under this limited warranty?
This limited warranty covers defects in material and workmanship in the following components of the mattresses and/or mattress bases described above from the date of purchase from IKEA. The original purchase receipt is required as proof of purchase. This limited warranty applies to domestic use only.

• Springs in spring mattresses.
• Foam core in foam mattresses.
• Latex core in latex mattresses.
• Wooden frame, slats and springs in slatted bed bases and mattress bases.

Products not covered under this limited warranty
This limited warranty does not apply to:
All Mattress Toppers, JÖMNA spring mattresses, sleep sofa mattresses, crib mattresses, children's mattresses and SULTAN LADE slatted bed bases.

What will IKEA do to correct the problem?
IKEA will examine the product and decide, at its sole discretion, if it is covered under this limited warranty. If considered covered, IKEA through its own service operations, will then, at its sole discretion, either repair the defective product or replace it with the same or a comparable product. If it is covered by this limited warranty, IKEA will pay the costs of repairs, spare parts, labor and travel for repair staff, that IKEA incur, provided that the product is accessible for repair without special expenditure. This does not apply to any repair work not authorized by IKEA. Replaced parts become the property of IKEA. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

What is not covered under this limited warranty?
This limited warranty does not apply to products that have been stored or installed incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or cleaning products. This limited warranty does not cover normal wear and tear, cuts or scratches, or damage caused by impacts or accidents. This limited warranty does not apply if the product has been placed outdoors or in a humid environment. This limited warranty does not cover consequential or incidental damages. For customers in the US only: some states do not allow the limitation or exclusion of incidental or consequential damage, so this limitation or exclusion may not apply to you.

Before using for the first time
Initially your new mattress can seem a bit too firm. Allow one month for your body to get used to the mattress and for the mattress to get used to your body. To get the best comfort, you need the right pillow. Make sure that you have a pillow that suits you and your new mattress. Roll packed mattresses regain their shape after 3-4 days of use. All new materials have their own particular smell, which gradually disappears. Airing and vacuuming the mattress will help to eliminate the smell.

365-day exchange policy
It’s important to us that you sleep well on your new mattress. Should you discover that it isn't completely to your satisfactions, bring the mattress back and try out a new one. You have a total of 365 days to sleep on it!

Care and cleaning
Complement the mattress with a mattress protector or a Mattress topper. It makes it more hygienic, as it is easy to remove and clean. Some mattresses and pads have a washable cover. Read the tag inside the cover for more information. Make sure that the zipper is closed when washing the mattress cover. Vacuuming the mattress helps to remove allergens. Use upholstery cleaner to remove stains. If your mattress is turnable you should turn it about every three months. Turning a mattress ensures more even wear and helps to prolong its comfort. Don’t fold the mattress. It can damage the springs and materials inside. Even the best mattresses become less comfortable with age, and all mattresses accumulate allergens over the years. So even if the mattresses have a 25-year limited warranty, we still recommend that you change your mattress every 8–10 years. This limited warranty gives you specific legal rights, and is in addition to your statutory legal rights.
