The ultimate rug remix

Get ready to be floored by MARKBLÅMME. This rug's unique design blends different colors and textures into an expressive pattern that will keep surprising you. Your living room's new look is just a step away!

Meet the designer | Paulin Machado

“When designing MARKBLÅMME, I started with the colors. Beautiful browns and burgundy tones that complement each other. I also wanted to play with the weave and yarns. All the beige parts are made of a shrink yarn, creating a lower area, so the brown and pink parts stand out more. This enhances the check design and you can also feel it when you stroke the rug.”

Paulin Machado, Designer

Your relaxation station

Wanna join the lazy morning club? Set up a cozy corner for reading, binge-watching or mastering the art of power-napping. All you need is a comfy bed, textiles in deep, warm colors and a nightstand ready to hold your books and hide your secret stash of snacks.

Hungry? Both the LÄTTLAGAT rice mix and the falafel dish are served in our restaurants. You can also buy LÄTTLAGAT frozen from our Swedish Food Market to enjoy at home.

Introducing the newest members of the plant-rich gang

Get ready to delight your taste buds with two new, flavor-packed additions to our menu: a creamy rice meal with tasty vegetables and a warming blend of spices – and a falafel dish – crispy oven-baked falafel balls served with couscous, crunchy vegetables and aioli.

Blending vibrant textures with an international zest, these dishes support a plant-rich diet and bring a tasty twist to your everyday meals. Which one will you try first?

Thumbs up!

Style that turns heads

Bring good vibes on rotation with this stunning swivel chair, soon to become the centerpiece of your living room. Its modern, organic shape is perfect for anyone who wants their furniture to stand out. Built with pocket springs and cold-moulded foam, it spins you into 360° comfort.

“When designing LILLESÄTER, I wanted to combine playfulness, elegance and comfort. Each part of the sofa series has soft, organic and friendly shapes with sweeping lines that are restful for both the eyes and the body. At the same time, they have a bold expression full of character – something you can play with through your choice of cover. I hope LILLESÄTER helps people feel both calm and joyful.”

Matilda Lindstam Nilsson, Designer

Filter light, not the season's vibes

Bring a year-round spring feel into your home with the PELARKÖRSBÄR curtains. Designed by Stina Persson, they showcase an airy pattern of black-edged leaves dancing on a crisp white background. Made of 100% recycled polyester, these curtains have a soft texture that gently filters light.

Meet the designer | Stina Persson

“Using ink and watercolors, I love how these materials take on a life of their own, perfectly suited for painting delicate leaves and petals. As a Swede, I yearn for the burst of greenery and blooms after a long winter, and I hope this collection brings a touch of lush nature into your home.”

Stina Persson, Designer

It's
always
pink
o'clock

Paint it pink

If you're more about bouncing out of bed than hitting snooze, wake up in a bedroom where pink textiles and accessories are ready to rock and boost your day. Powered by Stina Persson's hand-drawn patterns and vibrant colors, your space turns into a party for the senses. And if you're unsure where too much begins, we have good news: it doesn't.

Happiness in a box

Introducing KALLSUP, our new portable speaker. Designed by Ola Wihlborg, it delivers big sound despite its compact size. Simply connect it to your phone, computer or any Bluetooth device and take your music anywhere.

Pssst! KALLSUP is available in pink, yellow-green, and white.

“My idea with KALLSUP was to create a speaker that is as small and simple as possible – yet with great sound and plenty of features. It’s easy to use, can be connected in a group – and honestly, I’m surprised by how much sound can come from such a small speaker. I hope it amazes and brings joy to people every time they put on their favorite music!”

Ola Wihlborg, Designer

Comfort you can feel, looks you can't scroll past

Turn every night into a first-class staycation with this duvet cover set featuring a bold floral pattern available in black/blue or vibrant pink. The cotton/lyocell blend is soft, breathable and won't judge you when you keep hitting snooze.
