ELVARLI  
Open storage system

DESIGN  
Ehén Johansson

SAFETY  
The adjustable post must be attached to the ceiling. The side unit must be attached to the wall.

Secure it! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different ceiling materials and wall materials require different types of hardware. Use hardware (sold separately) suitable for the ceiling or walls in your home.

CARE AND CLEANING  
Wipe clean with a cloth dampened in a mild cleaner. Then dry with a clean, dry cloth.

ASSEMBLY  
IMPORTANT: Two people are required to assemble this furniture safely.

For storing clothes and shoes, ELVARLI is a flexible and beautiful open storage system with its modern white lines and durable bamboo shelves. Whether you take home a ready-made combination we’ve already planned or create your own solution, you get custom organization for your bedroom, hallway, living room or home office. Its click-in function makes it easy to assemble, disassemble and rearrange.

With ELVARLI, you choose a base: a ceiling-anchored post or a wall-anchored side unit. Then you add interiors – clothes rails, drawers, shelves, shoe shelves – to suit your storage needs. There are handy hooks available, too!

The choice is yours with ELVARLI. See everything at once with open shelves. Or go open and hidden with shelves and soft-closing drawers. Hang a lot of clothes or none at all. Whatever you choose, you can always adapt or extend ELVARLI if you change your mind, needs or address!
HOW TO PLAN

What do you want to store?
Sort through all the clothes you own. Count how many pieces you want to store in each category like shoes, dresses, sweaters, pants, etc.

How much space do you have?
Determine where you want your open storage solution. Sketch out the space, measuring from the floor to the ceiling and between the walls. Take detailed measurements, note any windows or doors and allow for opening and closing doors. Consider any radiators, pipes, ventilation or other features that could affect your storage solution.

Want a ready-made combination?
Browse the ready-made combinations in this buying guide and more solutions at IKEA-USA.com/ELVARLI. Our coworkers can help you compile a picking list of your chosen combination to guide you through the Self-Serve area. They can also help you with other services such as pick-up and arranging home delivery.

Want to create your own solution? Use the additional information provided in this buying guide to follow these simple steps:

1. Pick a base
ELVARLI can be made using a wall-anchored side unit (1) or a ceiling-anchored post (2) as a base. The post height is adjustable between 87¼ to 137¾”. Each post includes two fittings which enable interiors to be mounted also on the extendable part. The side unit comes in two heights, 49% and 85”. Remember! Every post must have brackets for each interior that you add (except for the clothes rail). Every side unit must have a cross-brace.

2. Choose the interiors
Clothes rails, shelves, inserts, drawers and shoe shelves are the ELVARLI interiors. Choose a combination of interiors to solve your specific storage needs. All interiors are available in two widths (15¾ and 31½”) and two depths (14¼ and 20¼”). Remember! Although an insert can be used on its own as a compartment for boxes or folded clothes, every drawer must have an insert.

3. Calculate the width
Make sure your solution will fit in your chosen location. Whether you use posts or side units, you will need to allow for extra width. Calculate the width of your storage solution using the information on page 3.

Online planning
Put your creativity to work and create your own wardrobe combination. Our easy-to-use planners help you try out different ideas to find what’s best for you. You can start from one of our ready-made solutions and adapt it or you can start from scratch. The planners tell you how much your combination will cost. It creates a list of the products you need, so you don’t forget anything at the store. It also checks if what you need is available before you go. The planners even help you buy your products directly online. Start planning today at: IKEA-USA.com/ELVARLIplanner
