Laundry areas in the home

The difference between an organized laundry area and complete chaos is simply: a great storage solution. And it doesn't hurt if it looks good, too. Whether you have a spacious laundry room, a bathroom, a basement or a closet at your disposal, there is a functional, affordable solution for your specific situation. Here are some ideas — the first step towards a neat laundry area that saves time and becomes a feel-good factor in your home.

Laundry room

Do you take a deep breath before opening the door to your laundry room? Then you might need a new storage system. The key to making washing, drying, folding and ironing large amounts of clothes less of a chore is to have the right tools — stylish and practical workstations with all you need nearby. Don't know where to start? No worries, this guide will help you choose a laundry solution that suits your needs perfectly. Let's make life at home better together!

Behind closed doors

Hide the laundry chores behind closed doors with a dedicated spot for a washing machine and dryer as well as storage possibilities. Create a functional solution with open and closed storage, and everything you need at an arm's length.

10 ENHET doors and drawer fronts have a 10-year limited warranty. Find out more on page 50.

ENHET system

Creating a complete laundry solution has probably never been easier. We've combined smart ENHET system units to create practical solutions that can purchased online or in your local store. Create a fully functional and personalized laundry area in no time by combining your choice of open and closed storage, in a mix of colors, and adding the accessories you want. After having selected your favorite solution, you just add the appliances.

ENHET door and drawer fronts

Time to play with colors

Whether your taste is classic, modern, playful or eclectic, the ENHET system offers a range of door options that will accommodate your wishes. Choose among basic colors and flat or framed door styles to bring a clean fresh look to your laundry area. Naturally, you can also mix colors and patterns for a truly personalized look and combine closed doors with open shelves for a more playful expression. No matter the style you choose, the surface of the doors resists moisture, scratches and bumps, which means that your laundry area is well prepared to handle years of daily wear and tear.

ENHET cabinets and frames

A solution for today — and tomorrow

Is your laundry area small, large, convenient or awkward? With the choice of wide and narrow cabinets and deep and shallow frames of the ENHET system, you can create a laundry solution that fits both your needs and personality while using your space as efficiently as possible. Open wall frames placed above the washing machine (and out of children's reach) will neatly hold all your washing detergent, clothespins and other laundry items. The ENHET system offers many combinations that can be adapted over time to accommodate any life situation — or simply a change in taste. Easily adaptable and with a 10-year limited warranty, this practical laundry solution will be your companion for years to come.

Lighting for ENHET

Good lighting is an essential part of any laundry. That’s why we offer integrated lighting series perfectly dimensioned to fit our ENHET laundry solution. Having integrated lighting in your laundry is a great way to be able to check your clothes before putting them in the washing machine and see if they need to be treated before.

You can also dim your light if you see the need, all you need is TRÅDFRI wireless dimmer. Or, use the DIRIGERA hub and IKEA Home smart app to control every beam of light with your smartphone. We call it IKEA Smart lighting.

SKYDRAG series

Lighting creates atmosphere in homes and makes everyday life easier. This LED lighting strip is specially designed for the ENHET series, but is of course just as easy to install in other areas of the home, except humid areas like the bathroom. You can use the lighting strip under ENHET wall cabinets and open wall frames as work lighting — or use it to create a cozy light inside the open wall frames.

You can connect as many LED lighting strips as you like, as long as the total wattage of the products does not exceed the maximum wattage of the connected driver(s). If you connect the lighting strip to TRÅDFRI driver and wireless dimmer, you can easily turn on, turn off and dim your lighting as needed. The LED light source consumes up to 85% less energy and lasts up to 20 times longer than incandescent bulbs.

SILVERGLANS series

SILVERGLANS LED lighting is designed for the ENHET series and works great as bathroom lighting. You can use the lighting strip under ENHET wall cabinets and open wall frames as work lighting, or create a cozy light inside the open wall frames. SILVERGLANS LED lighting can also be dimmed for ambient lighting, and it's perfect for humid areas like laundry rooms and bathrooms.

You need to connect the SILVERGLANS lighting strip to SILVERGLANS driver, and you can turn on, turn off or dim your light with TRÅDFRI wireless dimmer.

When you add a DIRIGERA hub and the IKEA Home smart app, you can create several groups of light sources and control them in different ways. Add the DIRIGERA hub and IKEA Home smart app for control through Amazon Alexa, Apple HomeKit or Google Home.

Limited warranties

We offer you a 10-year limited warranty that covers defects in the material and workmanship on the ENHET system.
All indoor faucets have a 10-year limited warranty.

This limited warranty is valid for residential use and is subject to the terms and conditions stated in this folder.

10 The ENHET system and faucets have a 10-year limited warranty.

ENHET system
10-year limited warranty

What is covered under this limited warranty?
The 10-year limited warranty is valid for all ENHET products. This limited warranty applies to residential use only.

What will IKEA do to correct the problem?
IKEA will examine the product and decide, at its sole discretion, if it is covered under this limited warranty. If considered covered, IKEA through its own service operations, will then, at its sole discretion, replace it with the same or a comparable product. If the item is no longer sold by IKEA, IKEA will provide an appropriate replacement. It is IKEA that determines, at its sole discretion, what constitutes an appropriate replacement.

Conditions for the limited warranties
The limited warranties are valid from the date of purchase at IKEA. The original purchase receipt is required as proof of purchase.

Exclusions
The limited warranties do not apply to products that have been stored or assembled incorrectly, used inappropriately, abused, misused, altered, or cleaned with wrong cleaning methods or wrong cleaning products. This limited warranty does not cover normal wear and tear, cuts or scratches, or damage caused by impacts, accidents or waterborne debris. Follow our assembly instructions and care instructions carefully.

This limited warranty does not apply if the products have been used outdoors or in a corrosive environment.

Assembly and Care instructions
To be able to rely on these limited warranties you need to follow the specific care instructions for every product. You will find all assembly and care instructions at IKEA-USA.com

Installation
Laundry furniture must be attached to the wall. Ensure that the walls in your laundry room can support the weight of the furniture, as wrong installation may cause injury or damage. If you are uncertain about the installation, contact a professional. As wall materials vary, screws for attaching to wall are not included. For advice on suitable screw systems, contact your local specialized dealer or home improvement store.

For customers in the US only: some states do not allow the limitation or exclusion of incidental or consequential damage, so this limitation or exclusion may not apply to you.

Care instructions
To be able to rely on this limited warranty you need to follow the specific care instructions for every product. You will find all care instructions in the IKEA stores and on the IKEA web site: IKEA-USA.com

General legal rights:
This limited warranty gives you specific legal rights. This limited warranty does not, in any way, affect the rights given to you by law.

How to reach us if you need service:
Contact your local IKEA store. You will find the address and phone number at IKEA-USA.com. Save your sales receipt as proof of purchase.
Proof of purchase is required for the limited warranties to be valid.

Special Information
This buying guide has been prepared by IKEA to better assist customers when purchasing products. Sources of supply and specifications are subject to change. Every reasonable effort will be made to ensure that all advertised merchandise is available in adequate supply. A high standard of accuracy has been sought in the preparation of this buying guide. Errors and omissions are always a possibility. Although IKEA cannot be held responsible, upon discovery of any error or omission, all reasonable steps will be taken to inform IKEA customers.

Country of origin
For all our products, we choose specialized manufacturers who can produce our components at the lowest price. A single item may consist of several components from different countries. Country of origin information is available on each component when you pick it up.

Stock Availability
We are working closely with our suppliers to replenish stock as quickly as possible, however, due to impacts on the supply chain caused by COVID-19, we cannot guarantee the availability of our cabinets and fronts. Lead times vary and some items could take up to six (6) months or more to receive. If you proceed with a kitchen cabinet and front purchase, we do not recommend starting the removal of your current kitchen or booking your contractor until you have received and inspected all items needed for the installation of your kitchen.

Prices valid as of January 1, 2024 posting. Prices are subject to change. Please see IKEA-USA.com or your local IKEA store for the most up-to-date pricing. Products require assembly. Textiles shown are imported.
