Four coordinations, four personalities

We want to show that it's perfectly possible to refresh your home at a low cost. Small changes can certainly make a big difference. The only thing that matters is that it fits your home and your budget. A new cushion cover might be all you need. We like that.

Vitamin pills. For your home.

A bold, colorful version of the classic KRYLBO Chair makes its debut this summer. Comfy, affordable and wonderfully blue.

KRYLBO Chair \$90/ea Tonerud blue 205.667.47

"IKEA PS 1995 Clock has a shape that looks like an old Swedish Mora clock from the province of Dalarna or a guitar. I like the combination of convex and concave lines. The biggest challenge was in creating a soft curvy body that still had a clear, graphic shape. The final result is like an icon for clocks, which also works as a practical storage place for small things. It's very recognizable. I hope you find the clock both fun and useful."

Designer Thomas Eriksson

New PLATTLUMMER Cushion cover \$3.99/ea Green/blue 305.827.04

Could PLATTLUMMER cushion cover be a future IKEA classic? Maybe. It's fun, colorful and the price tag is almost as hypnotizing as the design. Time will tell.

It's almost impossible to look at the new green GULLIVER without a silly smile on your face. We shouldn't be bragging like this, but isn't it just adorable?

That yellow KNARREVIK table sure looks nice together with the new SYRABLADMAL bedlinen and the dotted RUNDKRASSIG cushion cover. Simple and low-key but quite striking together.

We think it's perfect because it's imperfect. The irregular, hand drawn lines on SYRABLADMAL create a vibrant and young feeling. It's fresh and unexpected when married together.

“The pattern for VILDPERSILJA curtains and cushion covers is one that had been simmering in my mind for a while. It’s inspired by the old houses that line the streets of Visby, Gotland where I live, with charming walled gardens full of roses, fruit trees, hollyhocks, ivy, daisies, marigolds, figs and walnut trees. Whether you are looking to add life and a splash of color to a neutral-toned space or to make your urban flat cozier – this versatile pattern connects you to nature.”
