Welcome to your most comfortable self!

This is your best friend for movie nights and also the room's center of attention. We tried to think of everything, from the spacious comfortable seat cushion to the rounded armrests and soft covers.

Spacious and embracing, soft and welcoming. FÄRLÖV sofa is beautiful and comfortable to live with, year after year. Pocket springs follow your body, provide support exactly where needed and help the sofa keep its inviting shape. The top layer's cut foam pieces and the selected covers, in smooth velvet or with natural linen added, provide additional comfort. And the generous size fits the entire family. Sit and relax – and let the sofa bring out your most comfortable self!

GOOD TO KNOW

FABRIC SOFAS

DJUPARP: Made of velvet which, through a traditional weaving technique, gives the fabric a warm, deep color and a soft surface with a dense pile and light, reflective shine. The velvet is woven from viscose and polyester, which are strong and durable fibers. Polyester and viscose/rayon. Machine washable.

FLODAFORS: A yarn-dyed fabric with natural hints of flax that give the cover a texture that both looks and feels crisp. Cotton/polyester/linen. Machine washable.
