BUYING GUIDE

HAVSTA

Storage series

CARE

Wood: Wipe clean with a cloth dampened in a mild cleaner. Wipe dry with a clean cloth.

Glass: Wipe clean with a cloth dampened in water or window-cleaner. Wipe dry with a clean cloth.

GOOD TO KNOW

You can convert any stackable unit into a freestanding by adding the base in the compatible size (sold separately) or mount a stackable unit on a 18½" deep cabinet to create a vertical combination.

ASSEMBLY

Two people are needed for assembly of this furniture.

SAFETY

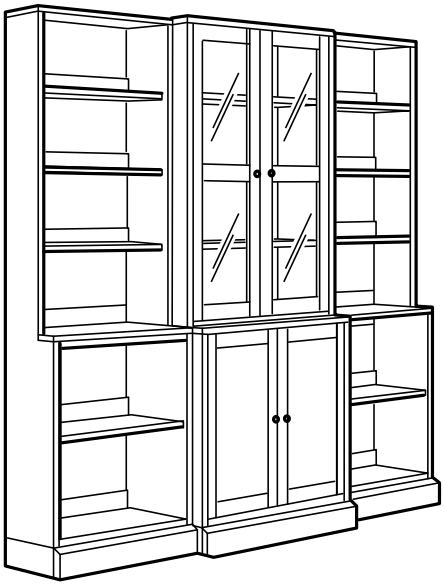

Secure It! Prevent tip-over injury. Furniture with included restraints must be secured to the wall according to the assembly instructions.

Different wall materials require different types of hardware. Use hardware (sold separately) suitable for the walls in your home.

Tempered glass should be handled with care! A damaged edge or a scratched surface can cause the glass to break suddenly. However, it will only into small pieces, never into sharp fragments.

To prevent a vertical combination from tipping over, stackable units which are 13¾" deep must always be mounted on 18½" deep cabinets.

For safety reasons, HAVSTA units are not to be hung on a wall.

Numerous possibilities and combinations
Truly versatile HAVSTA series in solid wood gives you a number of possibilities and combinations in different sizes — and with different features and looks depending on your living space, needs and taste.

All the features you need
Display the items you are proud of behind the glass doors or in shelving units and hide other things in the closed cabinets. Combine with a TV unit that keeps cables hidden, and why not complete the look with one or more matching coffee tables?

Flexibility
Choose freestanding or go for one of the many combinations. Add units over time or rearrange the entire combination to adapt to your changing needs — regardless if it's your family or souvenir collection that grows.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting IKEA-USA.com. For more detailed product information, see the price tag or visit IKEA-USA.com. All products shown require assembly. All textiles shown are imported.

Haven't found what you were looking for?
You can also design your own HAVSTA combination or customize an existing one by simply adding or removing units. To create your own vertical combination, please refer to the guidelines on the next page.

HOW TO BUILD A VERTICAL COMBINATION

Haven’t found what you were looking for?
You can also design your own HAVSTA combination or customize an existing one by simply adding or removing units. To create your own vertical combination, please refer to this guideline.

31⅞" wide combination

Step 1. Select 18½" deep cabinet.
Step 2. Combine it with one of three different 13¾" deep stackable units.

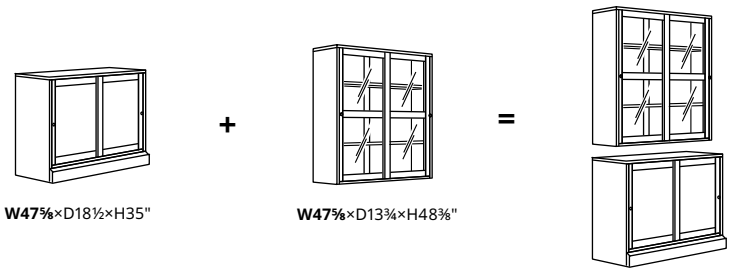

W31⅞×D18½×H35"

W31⅞×D13¾×H48⅜"

47⅝" wide combination

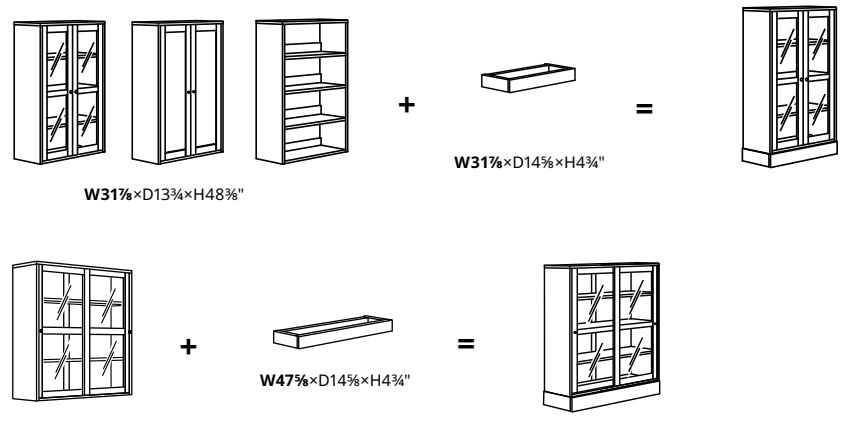

Step 1. Select 18½" deep cabinet with sliding doors.
Step 2. Combine it with 13¾" deep stackable unit with sliding doors.

W47⅝×D18½×H35"

W47⅝×D13¾×H48⅜"

Would you like now to convert any stackable unit into a freestanding? You can do it by adding the plinth in the compatible size (sold separately).

W31⅞×D13¾×H48⅜"

W31⅞×D14⅝×H4¾"

W47⅝×D13¾×H48⅜"

W47⅝×D14⅝×H4¾"

INTEGRATED LIGHTING

Conventional or connected smart IKEA lighting?
Good lighting makes life easier and helps you set the right mood. The options here are made for furniture like HAVSTA. They let you light up your favorite pictures and collections, and enjoy the cozy reflected light. And of course lighting makes finding things easier, on shelves or even inside cabinets. The TRÅDFRI LED driver makes MITTLED and TVÄRDRAG smart and gives it the ability to be wirelessly dimmed with the TRÅDFRI wireless dimmer and to be connected to the DIRIGERA hub. When you use the DIRIGERA hub, you can control TRÅDFRI connected lighting from the DIRIGERA hub app in different ways together with other TRÅDFRI lighting in your home. All our lighting is energy-efficient LED, saving money on your electricity bills.

MITTLED LED spotlight Ø2⅝".
To be completed with a TRÅDFRI LED driver and ANSLUTA power supply cord, sold separately. Dimmable with TRÅDFRI wireless dimmer, sold separately. LED life approx. 25,000 hours. 15 lumen.

White, 2.2W	404.536.45
Black, 2.2W	504.721.39
Aluminum, 2.2W	304.536.55

STRIMSÄV LED spotlights Perfect for illuminating cabinets and bookcases. Easy to mount with the gel-pad. The gel-pad is easy to roll-off by hand, wash with water and reattach to the lamp. Cable management clips are included - and you turn it on and off by just pressing the lamp. LED life approximately 25,000 hrs. 15W.

Black	005.653.72
White	805.705.67

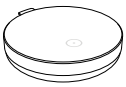

TVÄRDRAG Cabinet lighting A lovely traditional cabinet lamp. The metal shade creates a direct light that illuminates your cabinets. If you want the lamp's light to be directed into your display cabinet, just angle the lamp head inwards. You can turn up to 6 light sources on and off simultaneously if you complete with ANSLUTA driver. If you also want to be able to dim, choose TRÅDFRI driver and wireless dimmer instead, sold separately.

Black, 2W	405.168.41

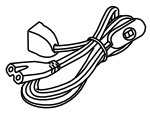

The TRÅDFRI LED driver for wireless control
You can dim the connected lighting with the TRÅDFRI wireless dimmer and connect it to the DIRIGERA hub. To be completed with ANSLUTA power supply cord, sold separately.

Up to 10W, connect up to 3 units	103.561.89
Up to 30W, connect up to 9 units	603.426.61

DIRIGERA Hub for smart products
With DIRIGERA hub and app you can control each light source individually, create different types of lighting settings, and control them by the IKEA Home smart app or personal assistent via Apple HomeKit, Amazon Alexa or Google Home.

White	505.034.14

ANSLUTA Power cord L11'6". Main power cord. Turn the lamps on and off with one single switch.

White	301.214.11

ANSLUTA Intermediate connection cord Can be used as a direct connection between TRÅDFRI LED drivers, e.g. between two sections of wall cabinets, with one single connection to the mains supply. White

L79"	601.199.25
L28"	401.199.26

ANSLUTA LED driver with cord Use the ANSLUTA LED driver for conventional on and off functionality. Up to 19W.

19W	904.058.45

STYRBAR Remote control Now it's easy for anyone to use smart lighting. STYRBAR remote control allows you to control multiple light sources with a click. Create atmosphere by dimming and adjusting color and warmth of the lights. Can only be used with IKEA smart lighting products. Works with IKEA Home smart app. 2-AAA batteries are required. Best powered with LADDA rechargeable batteries. Sold separately.

White	804.883.70
Stainless steel	504.636.15

*The bulbs cannot be changed in these lights.

Please note that HAVSTA cabinets do not have pre-drilled holes for interior lighting. In order to attach lighting, you need to drill the necessary holes in your unit.

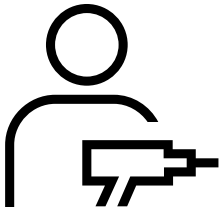

SERVICES

IKEA products are designed to be taken home and assembled by you. That way, you'll save the most money. But if you would like some help, we can offer a range of services. Assembly and delivery services fulfilled by an Independent Service Provider. Contact your local IKEA store or visit the IKEA website for details: IKEA-USA.com/services

DELIVERY SERVICE

Most of our products are designed and packaged so that you can take them home yourself. If you prefer, we can arrange for delivery of your purchases directly to your home or business. Same day, next day or same week deliveries are available. We can also arrange for delivery at a later date if you would like.

TASKRABBIT ASSEMBLY SERVICE

All IKEA products are designed to be assembled by you, but you don't have to. We've partnered with TaskRabbit to connect you with a network of independent 'Taskers' who can provide quick and convenient assembly and mounting services for your IKEA purchases made online and in stores. You can schedule assembly service for as soon as the same day, with the Tasker of your choice. Visit TaskRabbit.com/IKEA or see a co-worker for more details.

Services and prices may vary, please see IKEA-USA.com/services or talk to us in your local IKEA store.

© Inter IKEA Systems B.V. 2007

Valid as of January 1, 2024 posting. Prices and availability of products are subject to change without notice. Please see IKEA-USA.com or your local IKEA store for the most up to date pricing.
