BUYING GUIDE

SJÄLLAND
Outdoor Living Furniture Series

Personalize your outdoor space
How do you want to furnish your outdoor dining area? With the SJÄLLAND series you have every chance to create a personal solution. The table tops are made of aluminum, eucalyptus and glass, and the seating furniture is made of aluminum and eucalyptus. You can also add cushions in different colors. One tip is to buy two table tops in different materials, so you can change based on season and your mood to vary the style.

Easy to care for
The SJÄLLAND series is made of durable and easy-care material, allowing you to spend more time with family and friends and less time on maintenance and care. The aluminum chairs and the aluminum and glass table tops are particularly durable, while the furniture made of eucalyptus is also durable and ages beautifully. A smart detail is that the chairs are stackable and the reclining chairs foldable, making them easy to store when not in use.
COMBINATIONS

Enjoy your coffee outdoors all year round.
An easily-placed combination that is perfect for a balcony.
Choose a table top in eucalyptus during the summer and
change to maintenance-free aluminum or glass when weather
worsens – so you can drink your coffee outdoors all year round.
This combination with aluminum table and aluminum
chairs $239 592.649.42
This combination with wood/aluminum table and wood/
aluminum chairs $269 592.649.04

PROTECTING AND CARING FOR SJÄLLAND

FOR WOODEN FURNITURE

The best way to extend the life of your wooden outdoor furniture is by cleaning it regularly, not leaving it outdoors unprotected longer than necessary and to re-stain it on a regular basis.

**Clean:** With a mild soapy solution. Wipe dry with a clean and dry cloth.

**Maintenance:** To prevent the surface from drying out and cracking, and moisture from penetrating into the wood we recommend you to re-stain the furniture on a regular basis, for example once or twice a year.

**Storing:** If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation.

FOR ALUMINUM AND GLASS FURNITURE

The best way to extend the life of your outdoor furniture is by cleaning it regularly and not leaving it outdoors unprotected longer than necessary.

**Clean:** With a mild soapy solution.

**Maintenance:** Requires no maintenance.

**Storing:** If possible, store in a cool dry place indoors. If the furniture is stored outside, cover it with a waterproof cover. After a rain or snowfall, wipe off excess water or snow from flat surfaces. Allow air to circulate to avoid condensation.

VÅRDA wood stain for SJÄLLAND

To add shine and protection but no color we recommend colorless VÅRDA wood stain. To also refresh the color we recommend VÅRDA wood stain brown semi-transparent. The colored finish will become deeper and more opaque with each additional coat of wood stain you apply.
