Choice of cushion

Genuine leather

10

POÄNG seating series has a 10-year limited warranty. For details, visit IKEA.us/warranty

You choose the style

When you buy POÄNG armchair you choose everything yourself, except the comfort – it's always included! You get a style that's all your own by freely combining frames in different wood types and finishes and cushions with fabric or leather covers. If you want a change, you can always buy an extra cushion – they come with covers in several different colors, patterns and materials.

Comfort in harmony

Design and comfort meet in POÄNG armchair like two parts of a whole. The layer-glued, bentwood frame follows the contours of your body and supports your neck and lower back. The material in the frame gives the chair a light, pleasant and relaxing springiness. Complement the armchair with the Ottoman, specially designed to ensure you sit in a comfortable position. If you want to really rock, choose the rocking-chair in the same series.

A high standard of accuracy has been sought in the preparation of this buying guide. We apologize for, but will not be bound by or responsible for, errors and omissions in this buying guide.

Not all products may be available in all stores. See what is available at your local store by visiting IKEA-USA.com. For more detailed product information, see the price tag or visit IKEA-USA.com. All products shown require assembly. All textiles shown are imported.

How to choose POÄNG

1. Choose frame.

POÄNG comes in three different functions - an armchair and a rocking-chair. The frames come in different expressions.

Armchair frame

Available in white stained oak, birch, black-brown and brown.

Rocking chair frame

Available in white stained oak, birch, black-brown and brown.

Low-back armchair frame

Available in birch veneer, black or red stained.

2. Choose cushion.

The cushions come in different fabrics, designs, materials, and colors. Choose the cushion that fits the look of your favorite frame expression and style.

Cushion design

Available in Hillared, Skiftebo fabric cushions and Glose leather cushions.

Cushion design

Available in Knisa cushion.

Cushion design

Available in Gunnared cushion.

3. Complement with a Ottoman.

Choose an ottoman in an expression and with a cushion to perfectly match your new chair.

Ottoman frame

Available in white stained oak, birch, black-brown and brown.

Cushion design

Available in Hillared, Skiftebo fabric cushions and Glose leather cushions.

Cushion design

Available in Knisa cushion.

Cushion design

Available in Gunnared cushion.

Good to know

Our fabrics have been tested

At IKEA we test the fabric covers on our sofas and armchairs so you can be sure they're durable. The fabric's ability to resist abrasion is tested by using a machine to rub it against another fabric while applying firm pressure. A fabric that can take 15,000 cycles is suitable for furniture that must withstand everyday life at home – and if it can take more than 30,000 cycles, it is very resistant to abrasion. All fabrics are sensitive to sunlight, which is why we also check that our fabrics resist fading effectively.

Durable in different ways

Tough tests are an important way to check the durability of our fabric covers, but they don't tell the whole story. Durability also depends on materials, construction and manner of use. Heavy, tightly woven fabrics with a flat surface are most resistant to abrasion. Fabrics with a mixture of natural and synthetic fibers can withstand abrasion better than fabrics with only natural fibers. Yarn-dyed fabrics are more durable than fabrics with printed patterns. And a dirty cover wears out faster than a clean one. The fabric is also affected by how you use your seat of course.

	Resistance to abrasion (cycles)	Light-fastness (1-8)
Hillared: Cotton, polyester (100% recycled), viscose/rayon and linen.	30,000	5
Gunnared: 100% polyester (min. 90% recycled).	50,000	6
Katorp: Cotton/linen.	30,000	5
Knisa: 100% polyester*. Melange plain weave.	40,000	5-6
Skiftebo: 100% polyester.	35,000	5
Vissle: 100% polyester (min. 90% recycled).	50,000	6

Glose: Soft, dyed-through 1.1 mm thick grain leather that can withstand both wear and tear and strong sunlight as it's treated with a protective fade-resistant coating.

The high back gives good support for your neck. To sit even more comfortably and relaxed, you can use the armchair together with POÄNG ottoman.

* The polyester in this product is made of recycled PET-bottles, therefore reducing consumption of new raw materials and lowering the footprint on the environment.
